Letter of Commendation

As part of the SABC project team I'm writing to you to commend your team on the excellent and professional manner in which you assisted the SABC in delivering a seamless broadcast during the recent local government elections.

As part of your commitment you state on your website that; "Expo Solutions delivers full turnkey solutions - including project management, stand design, shell scheme, carpeting, electrical and furniture hire - for all mega events, lifestyle events as well as corporate client events across South Africa." The above statement truly reflects your vision is true to your word.

It was a pleasure working with your highly committed team and look forward to any future endeavors.

Regards
